

## **Club Med Sandpiper Bay, Port St. Lucie All-Inclusive Florida Getaway**

Soak up the warm Florida sunshine at this 216-acre haven for active people tucked away in the lush natural landscape of Florida. Located on the banks of the St. Lucie River on Florida's Treasure Coast, this resort focuses on sports and features 20 tennis courts, 8 sand volleyball courts and an 18-hole golf course.

Find balance with a yoga or cardio class. Unwind at the waterfront infinity pool reserved exclusively for adults. Get in the game with beach volleyball, basketball, bocce ball, table tennis or soccer. Amp up your technique with tennis, golf, fitness, sailing, volleyball and flying trapeze lessons for all levels taught by expert instructors.

Off-site excursions (additional cost) allow a look at Florida you might not be familiar with. Climb aboard a pontoon boat and travel through mangrove to see wildlife and birds. Head downstream in a speedboat past dolphin ponds to Jensen Beach, Hutchinson Island and coastal mansions. Tour the Intracoastal Waterway and picnic on a sandbar. Go horseback riding along the beach, swim with manatees, or visit Cape Canaveral or historic Saint Augustine.

After a day of adventure indulge in a luxurious treatment at the on-site spa (additional cost). Soothed by the warm and welcoming atmosphere, you'll feel as if you're in another world.

A variety of dining options are at your fingertips for breakfast, lunch, dinner and any time in between. The chefs continue to reinvent and surprise at every meal.

The Marketplace restaurant provides international flavor with Asian, Italian, Mexican and American dishes. Soleil features a gourmet menu and a waterfront location. Riverside Grill and BBQ offers a view over the river and serves up local specialties and a selection of gourmet dishes.
